### Medals galore for Angry Chill BJJ

Angry Chill Brazilian Jiu-Jitsu flew the Gibraltar flag high in Madrid this past weekend with a bag full of gold, silver and bronze medals at the prestigious Kamae Cup.

Four gold medals among the senior team, along with a further two silver and three bronze, were to add to the tally which the juniors had also obtained. Just nine months since the club was founded on the Rock, the BJJ team set the standards for future competitions.

The Kamae Cup is an international Brazilian Jiu-Jitsu (BJJ) tournament known for attracting high level competitors from around the world. It is organized with the support of national federations, such as the Federación Española de Jiu Jitsu Deportivo and the Federación Andaluza de Jiu Jitsu Deportivo. The tournament is named after the famous Kamae lock, a popular submission technique in BJJ, named after the legendary Japanese martial artist Masahiko Kamae.

The event offers divisions for various age groups, starting from young children (around 5 years old) to adults, including masters categories for older practitioners. The Kamae Cup emphasizes inclusivity, welcoming a broad range of skill levels, from beginners to seasoned competitors. It is often staged in prominent cities, such as Madrid, and regularly features international participants, adding to its reputation.

A standard feature of the Kamae Cup is the professional organization of the tournament, with top tier legacies including multiple tatum areas for standard business matters, live streaming, and professional commentary. In recent editions, significant prize money has been awarded to top teams, which enhances the competitive atmosphere. Additionally, the event sometimes includes master classes from top BJJ athletes, such as Alexander Botelho, offering unique learning opportunities for attendees.

With over 100 competitors from some 10 countries participating, the competition is recognized for its reputation as one of the top events.

Gibraltar fans were able to enjoy some of the livestreams with William Marsh's gold winning performance among those talked about across local social media channels.

Speaking on their return to Gibraltar Leo Terry, one of the BJJ coaches, was in contact to this newspaper that this was not their first outing to such competitions, having already attended one in Málaga this past June.

Speaking on his team's performance one of the proud founders of Angry Chill Brazilian Jiu Jitsu he was to say, "We brought back six gold medals, seven silver medals and seven bronze medals in total. We had 15 competitors a junior and 8 adults who all competed in gi and so we came out 7th out of 50 of the top teams in Spain also had our only female competitor Zeyara Moorez win 4th gold medal."
